1. This memorandum requests additional FY 1982 PRA funds for requisition 772-82172-129. This requisition was written to procure two FAX units identical to a prototype unit previously built. When the prototype was evaluated at our Okinawa Bureau, a number of modifications were recommended by the field. The two units already ordered must now be modified. 25X1

2. These modifications will require additional PRA funds in the amount of \$23,491. FBIS has no funds remaining in FY 1982 to cover this additional cost; therefore, FY 1982 funds in the amount of \$23,491 are requested for these required modifications. 25X1

3. Attached is an explanation of the modifications including information requested in reference. 25X1
